

Best Practice-I

1. Title of the Practice:

Digital Education and Awareness Program (DEAP)

Travel towards unknown to known

2. Objective of the practice:

The Chief aim of this practice is to provide digital education to empower the rural students to compete at the highest level. Digital Education and literacy are must for all after pandemic period. The institution works constantly for digital education, for awareness and safety for college students and women of Sakhi Mandal to help them in Digital Banking and Cyber Safety.

3. The Context:

The college provides training through the experts. The institute organises seminar with banks and lead District Banks for Digital Education and awareness of members or sakhi Mandal of Netrang Taluka. The college also organise online safety and digital literacy awareness programs for college staff, students and teachers to ensure high quality bench marking, to train the students to understand with experiential learning and practical approach.

4. The Practice:

- 1) The college constantly organises different activities to sensitise students, staff and members of Sakhi Mandal for digital education and awareness program. Digital literacy programs with Bank of Baroda, Netrang Branch, is organised for members of Sakhi Mandal for Digital Banking and Women Empowerment.
- 2) Online safety and digital literacy, cyber safety and security program also is organised by the college. Day to Day cybercrimes and online cheating cases are increased. College organizes webinars, seminars, lectures for awareness and to sensitise the staff and students.
- 3) Cyber security is the need of an hour for new India, programs are organised by the college for staff and students.
- 4) Add on certificate courses are started for college and other students for digital literacy.
- 5) Special training programs for financial literacy and digital Technology. Mobile wallet, e-payment are organised for the college students.
- 6) Five Days International E-conference was organised by the college for women empowerment. 274 participants registered from all over the world and renowned speakers had addressed the conference. Principal Secretary Education Department Gujarat has inaugurated the conference.
- 7) Help Desk in the college started for the students with two computers, printer and Internet Facilities for digital and online education and training.
- 8) 1150 Microsoft Team license provided to students and 50 for staff members for online digital education.

- 9) More than 70 webinars and 2 International E-conferences were organised during corona pandemic. All staff and students joined webinars and conferences.
- 10) All staff members joined 40 days training for intellectual property rights, organised by education department Government of Gujarat.
- 11) All records and reports are displayed on Social Media.

5. Evidence of Success:

- 1) Staff and students became familiar with online/Digital Education.
- 2) Improved attendance of students in classroom.
- 3) Students have started taking interest in lectures, increase in knowledge, quick understanding, enriched by overall learning.
- 4) Students are now able to fill-up their admission form, examination form, scholarship form, registration on cogent, pay their fees online at help desk
- 5) With training and help of the college and Bank of Baroda the members of Sakhi Mandals of Netrang are able to use digital Banking and Mobile Banking.
- 6) Staff and students become digital friendly in their day to day life.
- 7) The college is the very much active on Social Media and put its records and activities on social Media.
- 8) Use of Wi-Fi in education and other works

6. Problems Encountered and Resources Required:

- 1) Sometimes internet connection is weak. Poor internet facilities in interior rural area.
- 2) Economic condition of the students is a one barrier for smart phones and data charges.
- 3) Electricity is also one barrier in remote area for charging.
- 4) Shortage of skilled trainer and teachers for digital education.

7. Notes:

The college is located in tribal rural area of south Gujarat. Tribal Peoples' Rich cultural heritage and legacy help to boost-up Human values and ethical values. The college tray to maintain and develop rich cultural heritage of local communities by celebrating special days and festivals. The institution always trays to integrate traditionality and modernity by digital education.
