Action Taken Report-2021-22

- After the analysis of feedback received from the students, it is found that 2% of them are unsatisfied regarding syllabus completion. The situation is improved but for further improvement, it is strictly instructed to all the teachers to complete their syllabus within stipulated time. They can take extra lectures if there is need. They can also arrange guest- lectures or remedial classes for the students.
- 2% of the students are unsatisfied regarding the organization of co-curricular and extracurricular activities. The students must be encouraged to participate in them.
- It is found that use of ICT is decreased during this year. After the analysis of feedback received from the students, it is instructed to use ICT tools to make their lectures interesting as well as enlightening.
- The visiting lecturers are instructed to avoid using local dialects in the class. The Principal will personally visit their classes and review their teaching activities.
- The teachers are instructed to join training programmes and Faculty Development programmes to enrich their teaching expertise.
